

Loose Leaf Teas

- Black:** Irish Breakfast: (India) English Favorite! Very full bodied, best enjoyed with milk.
- Lapsang Souchong: (Fujian province, China) A distinct smoky flavor & aroma discovered during the Qing dynasty.
- Earl Grey: (Sri Lanka) named after the Prime Minister of England, a favorite with notes of bergamot and corn flower
- Cream Earl Grey: (Sri Lanka) An exquisite Earl Grey character mellowed by soft hints of cream.
- Monk's Blend: (Sri Lanka) A dramatic blend of vanilla and grenadine. Sure to become a favorite!
- Margaret's hope: (Darjeeling, India) An estate tea with delicate notes of black currents, grapes.
- Borengajuli: (Assam, India) Estate tea that is one of the most sought-after teas of Assam.
- Cochin Masala Chai: (India) Full-bodied broken pekoe tea with South Indian marsala spices.
- Peach Apricot: (Sri Lanka) Flavors combination of mellow peaches and deep, full flavored apricots.
- Blueberry: (Sri Lanka) Intoxicating aroma and full flavor of the ting wild blueberries
- Raspberry: (Sri Lanka) Full raspberry character. Try a bit of sugar to accumulate the flavor!
- Green:** Genmaicha: (Shizvoka, Japan) A specialty Japanese tea blended with fire roasted rice.
- Japanese Sencha: (Shivoka, Japan) Light in color, but rich and full in the cup! A classic green Tea.
- Sencha Kyoto: (Hunan region, Japan) High quality green tea with sweet cherry and morning rose flavor.
- Jasmine with Flowers: (Fujian Province, China) Surprising body with captivating floral taste or early spring!
- Herbal:** Roobios Provence: (Cedarburg, South Africa) Fruity and sweet notes.
- Peppermint: (Washington State) Sweetens breath, calms digestive systems!
- Egyptian Chamomile: (Egypt) 100% pure Chamomile produces a somewhat fruity & sweet tea!
- Berru Berru: (Canada, (USA, Thailand, Spain) A full flavored tea with deep berry notes. A beautiful burgundy color.
